Re: Claim # 14798  
Docket # 12865

Reason: My records show no receipt of tax return  
check at all.

And as proof I respectfully request proof of evidence  
bearing acknowledgment of receipt with the due process  
of my signature. Please submit such evidence.

As a U.S. Senior Citizen I am herewith calling  
attention to my Civil Rights - rights - and the undue  
and not merited enforcement of unfair duress as I  
would like to avoid creating a legal issue of  
abuse of power toward a senior citizen.

Thank you!
